We match prices* so you can just shop!

Every week, we actively check our major competitors' flyers and match the price on hundreds of items.

Look for the Ad Match message in store for the items we've actively matched. Plus, we'll match any major competitor's flyer item if you show us!

Since we Ad Match, we may not have sold at the After Limit price (and may not in the future).

*We match prices applies only to our major supermarket competitors' flyer items. Major supermarket competitors are determined solely by us based on a number of factors which can vary by store location. We will match the competitor's advertised price only during the active date of the competitor's flyer advertisement. WE RESERVE THE RIGHT TO LIMIT QUANTITIES (note that our major supermarket competitors may not). Due to the fact that prices are determined by us, we are not obliged to match the terms of the Ad Match program. We will not match items that are not available in all stores. No matches will be made for items where quantities are limited, items that are not available in all stores, or items where the competitor's flyer indicates that the price is limited to one per household. We will not match a comparable item (as determined solely by us). We will not match competitor's private label offers on non-identical items, "spend x get x", "Free", "Clearance" discounts or coupons obtained through loyalty programs, including PC Optimum™, PC Optimum Member Only Pricing, participating clubs under the Save it Forward™ program timeframe, or offers related to our third party operations (post office, gas bars, dry cleaners etc.). We reserve the right to cancel or change the terms of this program at any time. Price match and/or ad match requests do not apply to products sold and shipped by 3rd party sellers on Marketplace.
